

Rich Samit, CEO & Founder, Panelist at Upcoming Bisnow “State of the Market” Event

Richard Samit, CEO & Founder of Fraser Forbes Real Estate Services, will join seven other expert panelists at the [D.C. Residential Real Estate “State of the Market”](#) Bisnow event on Wednesday, March 12th at The Mayflower Renaissance hotel.

As a subject matter expert in land analysis, entitlement, acquisition, disposition, and financing, Mr. Samit will participate in a comprehensive panel discussion that examines the residential real estate market from the perspective of the largest regional and national builders and developers, investors, analysts, and major service providers to the industry. Discussions will include an examination of how national and regional builders are fairing in the local Virginia and Maryland markets; where land prices and availability of land are driving new housing development, and the overall state of the for-sale housing market.

A proud sponsor of the event, [Fraser Forbes](#) joins a number of distinguished presenters from some of the area’s top builders, and consulting professionals, to include Bozzuto Homes, Pulte Homes, Toll Brothers, Elm Street Development, EYA, Lyons & Sucher, and McWilliams|Ballard.
